The Goebel Bill Decision.

THE Kentucky Court of Appeals decided Saturday by a vote of four to three that the Goebel Election Law was constitutional. The three Republican Judges dissented. The decision was given on an agreed case filed by Judge W. M. Parnell, County Clerk Ed Paton and Sheriff G. W. Bowen, of this city, against John C. Clay, John S. Smith and Russell Mann, election commissioners for Bourbon county. The opinion of the Court was delivered by Chief Justice Lewis.

THE Louisville Legion arrived in Louisville yesterday from Porto Rico and was given a royal welcome. The regiment was heartily greeted at Lexington, Frankfort, Ashland and Mt. Sterling. Gov. Bradley refused to participate in the welcome at Frankfort, on account of his trouble with Col. Castleman. The Legion brought home a dozen Porto Rican boys.

THE Nicholasville Democrat was sold at auction last week to satisfy a mortgage. It was purchased by W. R. Harris, County School Superintendent.

THERE are eggs and eggs. The egg of yesterday looks, feels, measures and weighs like the egg of last month, but there's a difference in another respect, and that difference is worth money. Its just so with laundry. The difference between good work and poor is slight to the unpracticed discernment, but it's a difference that counts every time. It's a difference that changes your laundry bill from an expense to an investment. We do good work—it will cost no more than poor work but its worth double the difference.

Theatrical And Otherwise—Remarks In The Forum.

"THE BRIDE-ELECT." Sousa's much heralded opera, "The Bride-Elect," comes to Lexington Opera House, Thursday, December 23d. Sousa has made his greatest hit in this, the best of his comic operas. A triumph that is quite unique, inasmuch as he wrote the entire libretto, lyrics and dialogue as well as the music. Messrs. Klaw and Erlanger and B. B. Stevens announce that the production will be the same in every particular as that which played so long an engagement at the Knickerbocker Theater, New York, last spring.

The original costumes, scenery, equipment and other effects will be brought to Lexington intact. The music of the opera is in Sousa's most melodious and dashing style, and, as naturally might be expected, the march movements have that rhythmic swing and stirring effect which have made the composer's name famous the world over.

The company numbers nearly one hundred people. There is a splendid chorus of sixty voices, an attractive ballet, a complete military band and a largely increased orchestra. The cast is excellent as will be seen from the list of artists comprising Albert Hart, Hilda Clark, Christy McDonald, Mabelle Baker, Melville Stuart, Harry Luckstone, and Charles H. Drew.

Special railroad rates will be made.

UNCLE TOM'S CABIN.

"Uncle Tom's Cabin," the most lasting and widely known drama of the age, will be given a very pretentious production at the Opera House Thursday night by Stetson's Company, which is advertised as "the Barnum of them all." In addition to the well-known characters of the play will be seen ferocious bloodhounds, ponies, jubilee singers and dancers. The company has been playing to very large business. A mammoth street parade will be given Thursday about noon.

The management of the Mt. Sterling Opera House used an entire page of the Sentinel-Democrat Friday to boom the McLean-Tyler-Hanford combination which plays "Julius Caesar" to-morrow night in Mt. Sterling. The company also visits Winchester, Lexington and Frankfort this week.

Dressed in tights Mrs. Mary Anderson and Mrs. Dolan, two widows, fought to a finish in a prize ring for the love of Allen Harris, who will doubtless give them both the cold snake. This happened in Kansas.

Will H. Davis, of this city, who quit the "Down in Dixie" Company last week, is now playing the leading heroic roles in a strong repertoire company which is touring South Carolina.

On January 9 Chauncey Olcott began his regular annual engagement at the Fourteenth street Theater in New York, opening in his new play, "A Romance of Athlone."

Over at Zanesville, Ohio, a young society lady had the hair burned off her head by a celluloid comb which caught fire.

A Wife Says:

"We have four children. With the first three I suffered almost unbearable pains from 12 to 14 hours, and had to be placed under the influence of chloroform. I used three bottles of Mother's Friend before our last child came, which is a strong, fat and healthy boy, doing my housework up to within two hours of birth, and suffered but a few hard pains. This liniment is the grandest remedy ever made."

will do for every woman what it did for the Minnesota mother who writes the above letter. Not to use it during pregnancy is a mistake to be paid for in pain and suffering. Mother's Friend equips the patient with a strong body and clear intellect, which in turn are imparted to the child. It relaxes the muscles and allows them to expand. It relieves morning sickness and nervousness. It puts all the organs concerned in perfect condition for the final hour, so that the actual labor is short and practically painless. Danger of rising or hard breasts is altogether avoided, and recovery is merely a matter of a few days.

Catarrh Leads to Consumption.

A Forerunner of the Most Fatal Disease.

Though its offensive features are sometimes almost unbearable, few people are aware of the danger of which Catarrh is the forerunner. Catarrh invariably leads to Consumption. Growing worse and worse each winter, those who rely upon the usual treatment of sprays, washes and inhaling mixtures find that it is impossible to check the disease with these local applications which only reach the surface. The offensive discharge increases all the while, causing a feeling of personal defilement, and gets deeper and deeper until it is only a question of a short time until the lungs are affected.

The importance of the proper treatment can therefore be readily appreciated. But no good whatever can be expected from local applications, as such treatment never did cure Catarrh, and never will.

"I had such a severe case of Catarrh that I lost my hearing in one ear, and part of the bone in my nose sloughed off. I was constantly treated with sprays and washes, but each winter the disease seemed to have a firmer hold on me. I had finally been declared incurable when I decided to try S. S. S. It seemed to get right at the seat of the disease, and cured me permanently, for I have had no touch of Catarrh for seven years."

"Mrs. JOSEPHINE POLBELL, 'Due West, S. O.'"

Those who have had the first touch of Catarrh will save endless suffering by taking the right remedy at the outset. Others who have for years sought relief and found only disappointment in local treatment will find it wise to waste no further time on sprays, washes, inhaling mixtures, etc., which are only temporary and can not save them from Consumption. Catarrh is a deep-seated blood disease. S. S. S. is the only remedy which can reach the very bottom of the disease and cure it permanently.
